## Começa a nova era da Liga dos Campeões

Com novo formato, a maior competição de clubes do planeta tem levar emoção ao público a partir da primeira fase

Com o objetivo de dar mais emoção à primeira fase do torneio e afastar a ameaça da 'Superliga', a Liga dos Campeões da Europa começa nesta terça-feira com um novo formato com mais jogos antes do mata-mata.

O número de clubes participantes passou de 32 para 36. Cada um deles vai enfrentar oito adversários (quatro em casa e quatro fora) e brigar para estar

na parte de cima da tabela de classificação unificada e avançar às oitavas de final, segundo o chamado "sistema suíço", frequentemente utilizado em torneios de xadrez.

Os oito primeiros colocados na primeira fase garantem vaga direta nas oitavas. As equipes que ficarem entre a nona e a 24ª colocação vão se enfrentar em um playoff de ida e volta para avançar. Um sistema que cer-

tamente manterá o suspense até o final, embora não tenha sido unanimidade entre os torcedores, que também ficaram descontentes com as mudanças no popular hino da competição.

Um dos argumentos dos defensores dessa nova competição é que não há grandes duelos entre equipes de ponta antes do início do mata-mata. Com o novo formato, o problema parece solucionado.

## LIGA DOS CAMPEÕES

## Gigantes estreiam novos técnicos

O novo formato da Liga dos Campeões será uma desafio extra para alguns treinadores novos em gigantes europeus que mudaram de comando ao final da temporada passada. Não é o caso do atual campeão Real Madrid que mantém Carlo Ancelotti e tem em Mbappé a maior estrela para erguer novamente a "orelhuda", em maio na grande final marcada para Munique.

Só nesta primeira rodada, de terça a quinta-feira, os torcedores poderão aproveitar jogos muito atrativos: Milan x Liverpool (decidiram a Champions em 2005), Manchester City, de Pep Guardiola, contra a Inter de

Milão, Atlético Madrid, de Diego Simeone diante do RB Leipzig e Monaco encarando o remodelado Barcelona, entre outras partidas.

Outros destaques da primeira rodada serão a estreia de Kylian Mbappé na Champions com a camisa do Real contra o Stuttgart e o "batismo" na competição dos novos treinadores de Juventus (o ítalo-brasileiro Thiago Motta) e Bayern de Munique (Vincent Kompany), contra PSV Eindhoven e Dinamo de Zagreb, respectivamente, e além do primeiro jogo do Bayer Leverkusen, campeão alemão invicto na temporada passada, contra o Feyenoord.
